

“If There Is a God, Why Are There Atheists?”

(Genesis 1:1)

We live in a world filled with false gods and lesser gods. There are atheists and there are people who say they believe in God but function as atheists by ignoring God’s place in their lives. As believers we are to live by faith, but it is not a baseless faith. Today we will survey some key evidence.

“The heavens declare the glory of God; the skies proclaim the work of his hands. Day after day they pour forth speech; night after night they display knowledge.” (Psalm 19:1-2, NIV)

“Even Gentiles, who do not have God’s written law, show that they know his law when they instinctively obey it, even without having heard it. They demonstrate that God’s law is written in their hearts, for their own conscience and thoughts either accuse them or tell them they are doing right.” (Romans 2:14-15, NLT)

“The LORD has made known His salvation; His righteousness He has revealed in the sight of the nations.” (Psalm 98:2, NKJV)

“No one has ever seen God. But the unique One, who is himself God, is near to the Father’s heart. He has revealed God to us.” (John 1:18, NLT)
