“JOY, JOY, JOY”

(Philippians 1:1-2)

Where does real joy come from? Does it come from what we have – our stuff? Does it disappear because of what we do not have? Philippians is the most “joy-filled” book in the Bible and Paul shows us the source of a joy that cannot be shaken.

1. We have joy in _____
– *“in Christ.”*

2. We have joy in _____
– *“servants of Jesus Christ.”*

3. We have joy in _____
– *“saints, overseers, deacons.”*

4. We have joy in _____
– *“grace and peace.”*
