“THE ONLY WAY”

(John 14:6)

People have a hard time with the idea that there is only one way to heaven. The world would say that particular belief is “intolerant” or “ignorant”. Even some in Christian circles say that God’s love will allow all people to come enter into heaven; He will not let anyone suffer an eternity separated from Him. This morning we are going to talk about why Christ alone is our only chance for salvation.

The difficulties we have with “one way”:

1. _____
2. _____

Reality of our situation:

We are _____ (Romans 3:23,
Romans 1:28).

The only way:

Jesus, and ONLY Jesus, _____
necessary for salvation and _____
necessary for relationship with God (Romans 3:21-26).

Implications for us:

1. In Christ, we are _____ (1 John 1:9).
2. In Christ, we are _____ (2 Corinthians 5:17).
3. In Christ, we are _____ (2 Corinthians 5:21).

The push-back:

You don't _____!

The response:

(Ephesians 2:8, Romans 5:8, Romans 3:24, John 19:30)
