**“A VISION FOR THE CHURCH”**

(Acts 2:41-47)

Today we launch out on a three year journey of faith under the theme “Acts 2 Devotion”. What are you looking for in a church? What is a church supposed to be? What does it mean to be a church? People come up with plenty of answers to those questions. If we are going to define the church it is wise to see what the Bible says about it. What does a church look like when it is fully functioning like the church did in Acts 2? From the example of “Acts 2 Devotion” in Acts 2:41-47, we have developed the following vision statement for our church:

**VISION STATEMENT: To be a fellowship of believers radically devoted to Jesus Christ, His people, and His mission.**

1. Devotion to the \_\_\_\_\_.

2. Devotion to the \_\_\_\_\_.

3. Devotion to the \_\_\_\_\_.
