“A GRACE-FILLED COMMUNITY”

(Luke 5:27-32)

“It’s OK to not be OK” ...for that phrase to be true, our church needs to be a church that is grace-filled. As we close out our series “This is Us”, one of the things that make us who we are is that we are a people who know our own need for God’s grace and that we also extend God’s grace to others.

The Circle Principle: **draw a circle around yourself and work on everyone in the circle.**

We all **need God’s grace.**

Romans 3:23; 1 John 1:8

God knows **where we are,** and He can see **what we can become.**

Ephesians 2:4-5; Ephesians 2:10

When we stop **loving people who are broken,** we stop being **like Christ.**

Mark 12:30-31; 1 John 4:9-11

God calls us to **go to the brokenness.**

2 Corinthians 5:20; Mark 16:15
