

Cambodia Mission Trip

Southeast Asia

"Church-Based Partnership Evangelism"
with International Commission

About the Project

Participants from churches in the United States will work with local and international churches in Cambodia to share the gospel in their communities through personal evangelism. Evangelism is the starting point in building the body of Christ in this earth. It is a privilege to work together building His kingdom! I am happy to work with you and IC people. Cambodia Baptist Union in Phnom Penh greets you in the name of our risen Lord Jesus Christ. Please accept this note as an official invitation from the Cambodia Baptist Union again for the international sharing event in 2018. The area will be in Prey Veng province. We will work with at least 25 churches. We look forward to the preparation time and to working with you again. - Cambodian Baptist Union leader

When: October 17-29, 2018

Where: Battambang Province, Western Cambodia

Why IC?

- *42 years of experience partnering US churches with Christians all over the world
- *strong, consistent model for missions focusing on pure evangelism
- *everything arranges for one price (airfare, lodging, meals & transportation)
- *averages 50 decisions for Christ for each US participant per project
- *emphasizes the role of prayer in planning & preparation
- *provides materials to the local churches for follow-up & discipleship
- *has seen over 7 million indicated decisions for Christ, over 1 million in the last year!

Why Cambodia?

Our national leader, Nhem Nivath, has long had a vision of Cambodia as a Christian nation. He is earnestly working toward that end with a goal of planting 1300 churches, and training the next generation of leaders. You will not need to light a fire in Cambodia - the fire is already lit! This is your opportunity to share Jesus in a country where only 4% are Christian, and many are hungry for the Truth of the Gospel.

*during our last Cambodia project (2016) many indicated decisions for Jesus, hundreds were baptized and 19 new churches were planted!

Why You?

Each one of us is called to carry out the Great Commission, whether it is to GO, SEND or PRAY. If you desire to see lost people come to Christ, mentor evangelism, encourage the church and grow in your walk with the Lord, step up and join the GO team!
