Dear Parent,

Welcome to Discovery Days, a ministry of First Baptist Church Allen! Thank you for allowing us to assist in the education of your child. What an exciting time for you and your preschooler!

We firmly believe the first five years of life are unparalleled in importance in building character, love and a positive response to Christ and the church. We do this by meeting the spiritual, social, mental, emotional and physical needs of each child in developmentally appropriate ways. Your child is very important to us and we have sought to provide Christian education and care utilizing trained leaders, clean and safe surroundings and a well-balanced curriculum designed to meet the needs of preschoolers.

This handbook has been prepared for you to know the policies and better understand the program as we work together. Please read this information thoroughly and keep for future reference. If you ever have any questions or concerns, please do not hesitate to contact us. Please know you are welcome and invited to our church activities. Thank you again for the opportunity to share in the life of your child, your most precious possession.

In Christ,

: _l f ba P T_^Xe

Purpose

The Discovery Days program teaches the "whole child", meeting not only the physical and mental development, but also emotional, social and spiritual development. The program extends the ministry of First Baptist Church by providing well trained teachers who care about the education of each child. We strive to assist each child in developing positive feelings and attitudes about himself/herself and his/her world. We will offer opportunities for the child to explore his/her environment, develop skills, and stimulate his/her creativity. Our program will provide experiences that will assist the child in becoming aware of God's love. All of this is to be accomplished by providing developmentally appropriate activities and guidance for each child 18 months through five years of age.

Organization

The Discovery Days program is a ministry of First Baptist Church Allen preschool ministry and is administered by the Business Administrator, the Minister of Preschool, Discovery Days Director, and the Records Coordinator. The program is designed for children 18 months old to attend one day per week, two year olds to attend one or two days per week, three year olds to attend two days per week, four year olds to attend two or three days per week, and Kindergartners to attend four days per week.

Families enrolled at Discovery Days understand First Baptist Church of Allen believes The Holy Bible is the inspired Word of God. It is the basis for our sincerely held beliefs. The Church subscribes to the doctrinal statement of *The Baptist Faith and Message* as adopted by the Southern Baptist Convention in 2000. *The Baptist Faith and Message* is available for review on the church website and through the Southern Baptist Convention.

The Baptist Faith and Message (2000) does not exhaust the extent of our sincerely held beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of the Church faith, doctrine, practice, policy, and discipline, the Senior Pastor with the Deacon Leadership Team of First Baptist Church of Allen, Texas shall function as the final interpretive authority on the Bible's meaning and application.

Check-in/Check-out Procedures

Discovery Days offers a drop-off procedure in the mornings. Parents may drop-off their children at the Discovery Days entrance beginning at 9:20 each morning. Discovery Days staff will escort them safely to their classrooms. If you prefer, you are welcome to park in the designated areas and walk your child to their classroom.

For safety and security reasons, a sign-in/sign-out sheet is placed outside each classroom door each day. A parent must sign the sheet each day as the child arrives and as he/she leaves. The teacher will sign-in any children who take advantage of the drop-off procedure. On the enrollment form, you may list two adults who may pick up your child. A parent must give written consent for an adult (18 years of age or older) who is not listed on the enrollment form to have permission to pick up a child. The written consent can be given to the Director in the Discovery Days office.

Discovery Days begins at 9:30 a.m. and ends at 2:00 p.m. If you need to pick up your preschooler before 2:00 p.m., please come by the Discovery Days office and one of the office staff will go and get your preschooler and bring him/her to you. We want to maximize the teaching time for the children each day and limit disruptions to the classroom. At 2:00 p.m., your preschooler's door will be opened and the teacher will call his/her name and he/she will come to you. Thank you for your patience, the teacher will open the classroom door at the conclusion of the day. The artwork and Discovery Days information will be outside the classroom door for each child.

Since our teachers will be preparing for the day's activities and cannot supervise unattended children, please do not

bring your child before 9:30 a.m. Pick-up time in the afternoon is promptly at 2:00 p.m. There will be a late charge of \$1 per minute after 2:10 p.m. Thank you for being prompt in picking up your child.

Health

In order to provide the safest and healthiest environment for all children and teachers, please keep your child at home if he/she shows any symptoms or signs of illness. The children will not be taken outdoors on extremely cold days. **If your child is too sick to play outdoors, please keep him/her at home.** We are not able to keep a child in another class while his/her class is on the playground. If he/she becomes ill at school, he/she will be cared for in an isolated area. If a child has any of the below symptoms, a parent will be contacted to pick up the child. The Committee for Control of Infectious Diseases of the American Academy of Pediatrics recommends that a child should not leave home when any of the following symptoms exist:

We ask you to follow these guidelines and that a child be free of fever for 24 hours before coming to school.

- Fever
- Vomiting or diarrhea
- Any symptoms of childhood diseases such as scarlet fever, mumps, chicken pox, or whooping cough
- Common cold-from onset through one week
- Sore throat
- Croup
- Any unexplained rash
- Any skin infections-boils, ringworm or impetigo
- Pink eye or other eye infections
- Green or yellow discharge from the nose
- Any communicable diseases
- Lice

Thank you for your cooperation as we seek to insure a safe and healthy environment

Procedures For Dispensing Medications

It is Discovery Days' policy not to dispense medications except under certain situations; in which case, prior arrangements are made with our Discovery Days office and an **Authorization For Dispensing Medication Form** is on file in our office. Medications dispensed in Discovery Days must follow these guidelines:

- The medication is in the original container labeled with the child's full name and the date brought to the child-care center.
- Medication is administered in amounts according to the label directions or as amended by a physician.
- Medication must include the times child-care employees are to administer each medication according to the label directions.
- Medication is administered only to the child for whom it is intended.
- Medication can not be administered after its expiration date.

Immunization Requirements

Forms for immunization records and emergency authorization are included in the Admission registration forms. **The shot record form must be signed by the doctor and include the following statement listed on the admission form: "I have examined (name of child) within the past year and find that he/she is able to take part in the day care program."** The State requires that on your child's fourth birthday, he/she must have OPV and DPT immunizations. Please notify the school office when your child has received these immunizations so that our medical records are kept current and in compliance with the State. Effective August 7, 2003, parents of four and five year olds need to show proof of having the fifth DTaP immunization, unless the fourth dose of DTaP was given on or after the fourth birthday.

As of August 1, 2000, all children attending a licensed childcare facility are required to be vaccinated against Varicella (Chickenpox). The Varicella vaccination is listed on the Immunization Record on the Discovery Days Health Form. *If a child has had the Chickenpox Disease, the parent can fill out a statement on the Health Form verifying that the child has had the Chickenpox Disease.

All four year olds must have a vision and hearing screening. Documentation should be provided on the child's Health Record.

Discovery Days does NOT require staff members to obtain vaccines such as flu, hepatitis A and Pertussis. Teachers are required to be tested for Tuberculosis.

Food

Each child should bring a lunch of finger foods and a drink. The licensing guidelines require that we monitor what children eat while they are at Discovery Days, and see that the children are receiving 1/3 of their daily nutritional needs. Your child's lunch needs to contain a minimum (1) item **each** of the following food groups:

- (1) MILK: Milk, cheese, yogurt
- (2) VEGETABLE AND FRUIT: 1/4 cup (fruit juice included)
- (3) PROTEIN: Meat, eggs, beans, and poultry.
- (4) GRAIN: All breads and crackers

We may occasionally send home a reminder note, if needed. Because of the problem with leaky thermoses, we ask that the children do not bring carbonated drinks (either in thermos or cans). Please label the lunch with child's name. We ask parents not to send candy in their child's lunch. A morning *peanut free* snack will be provided. Thank you for your cooperation. If you would like to bring a special treat or snack for your child's class (during holidays or birthdays), please check with your child's teacher.

Toileting

Although we anticipate toileting accidents, we expect children three and four years of age to be potty trained. Children should be able to tell the teacher, go to the restroom and care for their restroom needs by themselves. Please dress your child in clothes he/she can manage himself/herself. Elastic waistbands is one example. Snaps and buttons are often difficult for the children to manage alone. Each child who is not completely potty trained and not wearing underpants should wear pull-ups. *No diapers please.* If your child will be wearing pull-ups, please bring extra pull-ups and wipes to school each day. For 18-month and two year olds, please send plenty of diapers and wipes to school in their backpack.

Clothing

Because of the learning activities in which children will be involved, you are requested to dress them in washable play clothes and shoes. Please send them in clothing that they can manage themselves at restroom time. All outer garments should be labeled with the child's name. Every school day, each child should bring in their backpack a change of clothing enclosed in a zip-lock bag (shirt, pants, socks).

Water Activities

A water table may be used in the classroom as one of the learning centers. In the spring, a small wading pool with 3" of water is used for the children to "fish." All activities are monitored by Discovery Days staff.

Rest Period

All children (except four-year olds and Kindergartners) will be expected to participate in a rest time. We request that each child bring some type of mat, rug or towel. We use this as a brief (20 minutes) transition time between the morning and afternoon activities. Any tote bag your child may bring to carry his rest mat and lunch in each day must be able to fit into an 11" x 15" cubby.

Guidance

All guidance is done with a positive encouraging approach. Children are given choices and are allowed to learn by natural consequences. Children are taught four basic rules to help, respect and love at church and school. Teachers discuss the four ways to show respect and remind children of these during the day.

- Respect God... by being sincere during prayer and worship, and taking care of church property.
- Respect Adults...by obeying right away, and expressing feeling with kindness and honor.
- Respect Others...by not hurting with actions or words and harming their belongings. Allow others to learn and have fun.
- Respect Yourself...by playing safe and doing your best.

A Discipline and Guidance Policy Form must be read and signed by the parent and kept in each student's Discovery Days file. (A copy of this policy is in the back of this booklet.)

Animals

Every fall, Barnyard Friends visit Discovery Days. Children will be able to see and touch animals that live on the farm. All animals have had the proper vaccinations.

Parent Participation

Parents participate at Discovery Days through our activities. During seasonal parties, you may sign-up to help with your preschooler's parties. Parents are welcome to observe their child's classroom at any time. Parents are asked to check in at the office first.

Parent Notification and Policy Changes

When a policy changes, parents will be notified in writing. If a child is ill or needs to be sent home for another reason, the parent will be called. In the event we cannot reach a parent, an approved person on the enrollment form will be called. In the event a parent wishes to change an approved pick up person, they must come to the Discovery Days office and make the change in person.

Conferences

Please feel free to request a conference with the teacher, Director or Minister of Preschool regarding any questions you may have. Since teaching begins promptly at 9:30 a.m., the teachers will not be able to visit with you about your child at this time. If you will drop her a note in the morning requesting a conference, she will be glad to get back with you that afternoon. If the teacher, Director or Minister of Preschool feels the need to discuss any matter concerning your child (behavior, participation, attitude, etc.), you will be contacted.

Open House

Discovery Days will have an Open House in April. Friends and family are invited to attend.

Meet The Teacher

Tuesday, August 29, 2017, all preschool and Kindergarten classes in Discovery Days will enjoy "Meet the Teacher" time from (9:30-11:30 a.m. Please bring your registered child to meet his/her teacher, see the room and prepare for the new experience! We encourage each of you to participate. **All forms are due at this time. If they are not complete at this time, your child will not be admitted to the first day of class.** Please contact the Director, Leslie Meil, at 972-727-7241 to discuss any questions or concerns regarding the policies and procedures at Discovery Days. Parents will be notified in writing of any policy changes.

Reviewing Operational Policies For State Guidelines

Parents may review the State's Minimum Standards by asking any Discovery Days office staff for a copy. The most recent licensing inspection report is posted on the wall outside our Discovery Days office.

Parents may contact the local licensing office 1-800-582-6036, Texas Department of Protective and Regulatory Services (PRS) child abuse hotline 1-800-252-5400, and PRS website www.dfps.state.tx.us.

Child Abuse

No one likes to talk about abuse, but it is a real issue and it happens to children. Everyone has been made aware of the issue of child abuse in centers and you can be assured that the teachers who work at our school have been carefully screened with the state. We also conduct training every year on the warning signs of abuse and how to report. Childcare centers and staff members are required by law to report suspected child abuse, neglect or sexual abuse to the Texas Department of Family and Protective Services and the local police. Failure to report by the staff or center is a Class B Misdemeanor. Aside from the legal implications, the failure to make a report would mean neglect on our part to protect children in our care. We will not knowingly fail to protect children in our care. The Children's Advocacy Center of Collin County located in McKinney is a local resource available to assist with counseling, family assistance programs, and resources for ways to keep your children safe. Their number is: 972-632-3910.

Gang-Free Zone

The Texas Penal Code indicates that any area within 1,000 feet of a child care center is a gang free zone, where criminal offenses related to organized criminal activity are subject to higher penalty.
