

Frequently Asked Questions

What will be different about this year's Disciple Now/Anomaly?

Instead of having main sessions with just our church, we will be gathering with several churches in the area for one big session on Friday Night, Saturday Morning, and Saturday Night.

Where will students be staying?

We will have our own host homes as we have had in years past. Students will register through FBC Allen and we will place them in a Host Home for the weekend. We will have a kick off Rally on Wednesday, January 10th as we have in the past. We will have schedules with all the information you will need.

Can I register through any church?

No, in order to place you in the right host home, it is important that you register with the church that you are a member at (FBC Allen). Each church is responsible for their own host homes and registration.

How do I register?

Starting November 5th we will have envelopes and online registration available all the way to the event. Cost goes up to \$75 on January 1st.
