

FBC Allen Chainsaw Team Assists Texas Baptist Men

Men from FBC Allen response to TBM Callouts to Houston and Victoria. Cullen Tubb responded to a Feeding Unit call out and served at the Houston Convention Center. David Johnson, David McColluch, Tom Stogsdill, Jim Foster and Tim Cline responded to Chainsaw Team call outs in Victoria, TX where more than 600 requests were received by TBM for chainsaw work in removal of damaged trees from their homes or property.

Our FBC Allen Chainsaw Team members worked on more than 20 of those requests and had opportunity to share Christ's love through a helping hand and prayer of blessing and hope with those families. The team had great experiences with each of the home owners who ranged from struggling families, single mothers, widows and those with medical limitations... many insisted on hugs with sweaty guys, very sincere words of thanks and a number with tears in their eyes. (See photos below)

Here's a report that appeared in the Victoria Advocate news:
