

Weddings

We believe a marriage ceremony to be one of the most sacred moments in the life of any person. It is a celebration of worship to God in which a man and a woman invoke the blessing of God in covenant marriage for a lifetime ([Matthew 19:4-6](#); [Ephesians 5:21-33](#)).

First Baptist Church Allen provides multiple on-campus venues for covenant marriage ceremonies. Because of demands on our church facilities and our biblical beliefs regarding covenant marriage, we are only able to make our church facilities available to church member weddings.

If you are interested in requesting a pastor or reserving First Baptist Church Allen for your ceremony, contact [Julie Roden](#) or 972-727-8241.
